

Robust, engaging signage that works day and night to promote your organisation

TD-P3(E) series

Toshiba's TD-P3 series offers clear, professional 24/7 playback of your content, without the need for an external media player. Thanks to our secure embedded USB, your audio/visual/images will convey your messages around the clock - with auto playback, multi-codec support and, for your peace of mind, failover playback in the absence of an input signal. Designed with the end user in mind, TD-P3 series is impressively customisable, with tiling and connectivity options for multi-screen displays.

Features

- 24/7 usage
- Full HD (75" = 4K Ultra HD)
- Landscape/portrait orientation
- OPS slot
- Embedded USB player & scheduler
- Embedded signage with built-in memory option (TD-P3E derivative model)
- Optional touchscreen available

(TD-P3E)
