

WAX STANDARD RIBBONS

Datasheet

- > For general purpose usage and light direct contact or handling
- > Ideal for usage, in warehouses for bin and shelf-edge labelling or box-end packing
- > Toshiba approved for maximum productivity

Our wax standard ribbons are designed to meet the varied and demanding standards of the current labelling industry. These wax ribbons will print onto a wide range of labels stocks, from uncoated to high gloss papers and synthetics, providing clear, sharp printed images of text and barcodes.

As one of Europe's biggest thermal transfer ribbon suppliers, we are committed to quality and reliability to help your business grow. Designed and manufactured to truly demanding industry standards, there is no better choice.

Like all our products, our consumables, too, are designed to improve printing efficiency, while at the same time reducing waste and minimising delivery and transportation costs. This not only saves you money, but also helps create a greener tomorrow.

SPECIFICATIONS

Key features

- > Excellent multi-receptor compatibility
- > Good sensitivity and low energy
- > Sharper printed images with good levels of blackness

	WS1F	WS2F
Melting point	65°C	
Ribbon thickness	< 9 µm	
PET thickness	4.5 µm	
Backcoating	Silicon based	SolFree®
Max. Printing Speed	300 mm/sec	
Colour	Black ●	Black, Blue, Red, Green, Gold ● ● ● ● ●
Storage	5-35°C 20 – 80 % RH	
Blackness (Macbeth D19C)	2.1 ODR	2.2 ODR
Mecanical resistance	No damage after x cycles: 30	No damage after x cycles: 10
Heat resistance	60°C	
Solvent resistance	None	
Head Type	Flat	

The specifications above are guidelines and vary depending on the substrates used. Contact us for an individual assessment. Using Toshiba ribbons ensures minimum wear on working parts and a better total cost of Ownership (TCO). Protect your printhead life and warranty by using only Toshiba ribbons which are tailor-made for Toshiba thermal printers.

For further information and a complete list of compatible Toshiba barcode systems and label printers, please contact your local Toshiba partner.
